## Parent Responses

For details on the methodology behind these survey responses, please see “Parent Poll Reveals Support for School Covid-Safety Measures, Despite Vaccination Hesitancy, Partisan Polarization” by David M. Houston, Michael B. Henderson, Paul E. Peterson, Martin R. West at <http://educationnext.org/>.  
David M. Houston is the *Education Next*-PEPG Survey director.

Each parent answered Questions 1 through 21 below about each of their children in kindergarten through 12th grade.  
Response frequencies in columns for Questions 1 through 21 are percentages of K–12 students. Due to rounding, column totals may not always sum to 100.
